I never thought that when I got my new, bigger, better boobs that they would pay for themselves so fast. I didn't do it because of the money. I did it for the attention guys and gals would give me! And they have. And I love it. Admit it, you love 'em too!

NURSING AND CLUBBING

Ahhhh, club girls, pretty little club girls. I have to admit that I had this thing for girls who like to dress up and party. The ones you see going into the VIP section of a club with big bosoms, ultra short dresses, and no underwear. I found them incredibly hot. I was this way because I had a chance to be with a few in college and they were usually pretty horny and willing to do just about anything, especially if alcohol loosened them up.

Some twenty years ago I was studying to be a nurse; yes, a male nurse, in college and many of them were in the nursing school. Many wanted to fool around and I was always willing. One of my favorites was Bella. She was a fifth-year senior at the time, and she was quite a stunner. Tanned skin that made her beautiful white teeth glow. Long curls in her hair with really firm breasts with puffy dark nipples that begged to be sucked. Now, Bella is a bit of a nympho. Had been for a couple years. For her first few collegiate years she was very, very shy. Over the course of a year I led her along the path of seduction. When I got to see her, she was a sexual animal, and she got me wondering how many other men she'd devoured.

One night as we were sitting in my car after a nice dinner out, she told me that she was headed to Harrisburg in two months for her internship. It made me sad. I told her so. She also seemed sad and we started kissing, softly at first like lovers separating, then more and more passionately. Those luscious rosy lips of hers immediately swelled and she let out a gasp of pleasure. I took that as my cue to probe her mouth with my tongue and her

body with my hands. Even though we had fucked many times, I felt a sense of urgency in this kiss.

We both felt cramped in the car so we headed back to her apartment. Within minutes we were in her bedroom and getting naked. We fell to the bed and she flipped me on my back. She was taking charge of the sexual situation and we stripped one another of all our remaining clothes. She hovered over me and reached for my cock. Bella turned and lifted her leg over me to straddle my face. I gave a light smack to her ass. She lowered her head close to my throbbing cock.

She took hold of it in one hand and put it in her mouth. In the meantime, I began running the tips of my fingers up and down the insides of her legs. Her ass was stuck straight up in the air and her knees began to lift up off the ground as I would move my fingers up and around her ass and pussy. I grabbed her hips and pulled them down as hard as I could. Her soaking wet pussy lips met mine and instantly she let out a warm long and low moan.

As I continued to lick her clit in a circular manner, she began to moan in a rhythmic pattern. As I concentrated on her moans, I could tell they were escalating in their intensity. I could feel her entire body shaking and convulsing with each stroke of my tongue across her clit. It was then that it happened.

40+: *(I sit patiently at a coffee shop on Ventura Boulevard waiting patiently.)*

Phoenix: Hello - sorry I'm a little late. I was getting a Brazilian wax and needed a few minutes more to recover. You know how that goes!

40+: *Personally, I don't, but my girlfriend has mentioned it before.*

Phoenix: Yeah, it's pretty painful.

She let out a muffled scream with my cock deep inside her throat and she exploded in a violent orgasm. She choked herself on my cock and slammed her ass down on my face. At the same time as she exploded, she began to squirt all over my face and into my mouth.

I loved the sensation and gave her my own loud moan of approval as I continued to lick at a feverish pace. She dislodged my cock from her mouth and collapsed on top of me. She reached over and proceeded to stroke my still throbbing cock. She reached down and placed her hand on my balls to give them some attention. She fondled my balls while she masturbated me. The feel of her hands stroking my cock and pinching and pulling my scrotum.

She moaned and continued to cup my balls awaiting my blast. I let out a very strained moan and grabbed one of her ass cheeks very hard. She inhaled and at the same time swallowed the amazing amount of cum that erupted out of me. She continued to swallow and suck as she seemed overpowered by the sensation of my cum entering her mouth.

She grinned and kissed me passionately. I tasted the remains of my cum on her lips and on her tongue. We cuddled the rest of the night away knowing that we'd fuck again before she left. But tonight it was about the warmth and sharing between two people who would soon be apart, but now together.

MISS PHOTOGENIC

I met Jenni at an office party for our company's 10th anniversary. I knew her from the head office as she was a bubbly receptionist that made everyone coming in feel happy and welcome. The party was winding down and she and I were sitting in a corner talking, laughing and finishing our drinks. As

we headed for the parking lot, she asked if I could take some 'boudoir' photos of her since I was kinda known around the company as a pretty good photographer. I didn't have a studio but I had set up the extra room in my house with some basic photo gear.

We agreed on Saturday morning and, frankly, I didn't think she would show, but right at eleven there was a ring of the doorbell and Jenni. She came in and she was dressed normally but underneath she wore white lace stockings and, when her coat came off, a white bustier with gold trim and sheer white panties with a matching gold trim. We small talked for a few minutes as I checked my camera's and I offered her a drink if she was nervous. She told me it was too early for a drink and she wasn't at all nervous. As a matter of fact, she was quite looking forward to it.

We went into my 'studio' and she looked around complimenting me on a nice little set-up. I thanked her and motioned over to the daybed for her to sit on. As she lay on it for the pictures, I had to adjust her clothing and smooth out some wrinkles. She just watched and when I got down to adjusting her panties, there was a small wet spot by this time. She told me to ignore it because she got wet easily when she was aroused.

Aroused? I hadn't been expecting that, nor had I even taken one picture. She took me

40+: *Ahem, anyway... I understand that you've been really bust lately. Would you like to tell me about it?*

Phoenix: Sure, but I can't tell you everything. Some of it must remain a secret.

40+: *And you don't tell your secrets?*

Phoenix: Okay, I have been known to spill the beans, but not this. So, I've tried directing lately. It's something I've wanted to do for a long time and I'm finally confident enough to try it.

40+: *Can I assume it will be an adult film?*

Phoenix: Yeah, but I want a bit

completely by surprise again, lifting her hips so as her mons pushed against my hand as I adjusted her clothing. I backed off and went to the camera and rolled off about twenty shots before asking her to change to another position. This time she got on all fours and lowered her head onto her forearms. She said she had always wanted to be shot like this because when she sees the pose in magazines, she had always liked it. Click, click, click and another twenty shots were fired off. Again a new position, but this time she asked if she could remove her panties. I told her that I didn't mind.

She pulled her panties down and tenderly fingered her wispy hair to be sure it was fluffed. I snapped more pics and she asked me to get some close ups of her face. I took the camera off the tripod and headed over to the daybed. Jenni took the camera from me and put it aside. Then she took my hand and pushed

gers were engulfed in her sweet wetness as she was thrusting against them.

Purely accidentally, in my manoeuvring and pushing my fingers around her privates, one of my fingers entered her small pink anus too, at which point she went wild as my finger was gripped by her anal muscle, so soft yet quite tight. Jenni climaxed almost immediately, thrashing around and lifting her tight ass to gain control of what was in it. She moved her hips forward and back, sucking my finger deeper into her butt hole. I just left it there. Then I felt it tighten even more around my finger and she pushed back, making it go in as far as it could.

After she finished cumming, she reached over and pulled her panties back on. She asked me to take a few more photos, which I did with a stiffie. Somehow I figured I wasn't going to get my turn to get off, but when she said she thought I had deliberately entered her anus, she wanted to come back tomorrow for some more photos. Of course I agreed, and when she left

I sat on the daybed and knocked one off.

more of a story line. After all my years in the business, I think I have a perspective that might be fun.

40+: *But there will be fucking, right?*

Phoenix: *Sure there will. Lots of it, but the sex will be wrapped around a plot line that's a little different, and fun.*

40+: *You've said 'fun' twice now. Is it a comedy?*

Phoenix: *Okay, I'll tell you, but then I'll have to kill you!*

No - I'm not an accountant, and I don't work at the mall. I'm a happy person who just happens to be a little sex starved. So I'm taking photos and making videos so I can expend some of that energy. I hope you like.

My whole life changed when I enlarged my boobs, And it changed again when I enlarged them some more. Now, I'm happy with them, and all my lovers are too. Admit it, they do look good, and I wear them well on my petite five-foot frame!

Wow, this was great. I had a blast today with all the sex and fucking. We must have gone at it for three hours or more. By the time he finished with my mouth, I wanted my pussy fucked so bad, I started without him until he was ready to do me. And man, did he do me right. I think I'm going to sleep well tonight.

BLAIR-NTS-00

this past September, my company had their international convention in New Orleans. My wife and I work for a national utility designing power systems. Our R&D group was required to attend. The convention was held for three days at the Hilton Riverside downtown. We had rooms on the 10th floor with quite a view of the Mississippi River flowing by. After the first day, we had had enough. We needed something less boring and more adventurous to do.

I have been married to Edna for twelve years now and things just keep getting sexier. My wife is a brown haired 42-year-old beauty with nice big breasts that just beg to be fondled and an ass to die for. She's sexually curious and loves to do anything kinky, making our sex life full of surprises. For a long time now our favorite activity was to have Edna sit on my cock and pretend that I was another man. That may sound boring to some but not the way Edna rode me.

She would tell me dirty stories about how much hornier her fantasy man was than her husband, and I respond as if were her imaginary stud, telling her what a hot pussy she had. (That part is true!) Well, over time these playful encounters began to have an effect on me and I couldn't stop fantasizing about Edna actually making it with another guy. I asked her on several occasions if she would like to have sex with another man for real, but she said she just liked to pretend. One evening while fucking Edna's gorgeous ass from behind, I began whispering a hot story in her ear. I incorporated a little reality into it as I told her about my new coworker. I explained that Matthew was a real ladies' man, and I believed him to be well-endowed.

When I told Edna that Matthew always seemed like he was ready to fuck, she began moaning. I began to describe his sparkling blue eyes and powerful build as I buried my cock deep inside her butt hole. Suddenly, Edna pushed her ass up against my hips and cried out, "Fuck me hard, Matthew!" Edna came for what seemed like two full minutes,

happy wife happy sex life

and it drove me wild. Hearing my wife call out for another man's cock made me fuck her even harder, until I came like I never had before. In the weeks that followed we had several sessions during which I would talk to Edna about Matthew. After that she finally asked if I could arrange a meeting. It was difficult for me to approach Matthew about the subject, but I had the feeling he would go for it. He had briefly met my wife one time at the office, and had made a comment to me in private about how beautiful she was.

She would tell me dirty stories about how much hornier her fantasy man was than her husband,

Eventually, I managed to have lunch with Matthew. I told him that I was sure Edna would be agreeable, and that I would keep him posted. Over the next week, every time I fucked Edna I knew that Matthew would soon be enjoying the feel of her tits and her silky pussy. On Friday, the eve

I really didn't know what to expect. Maybe the chemistry wasn't right between them, or maybe they have run off together! I couldn't wait to see just what, if anything, was happening...

ning of our first day at the convention, Edna asked if we could invite Matthew over to our hotel room, and I gave him a call to set it up. Once I hung up, I told Edna our fantasy was about to come true. She looked at me a little sheepishly, and then smiled oh-so seductively.

I watched as she undressed and looked through her lingerie while deciding what to wear. Her tits swayed from side to side as she rummaged, and I couldn't believe that Matthew would soon have his hands on them. Edna said that she was a little anxious about what was coming, and she asked me if I could leave her alone with Matthew for an hour or so until she felt relaxed. Then I could join in the action once it got going. This idea appealed to me even more. I imagined myself walking in on Edna offering Matthew her pussy, and it made me hot as hell.

left with a raging hard-on knowing I'd return soon enough. I took the elevator down to the lobby and settled in at the hotel bar to see if I could pass some the time there. I sat down in front of the television and watched the Saints in action.

I wondered what Edna was doing with Matthew just then, and I felt my legs go weak. All the blood was rushing directly to my cock as my mind was flooded with a variety of appealing ideas. After a few beers and much clock watching, I paid my tab and raced back to the room. As I walked up the hallway, I really didn't know what to expect. Maybe the chemistry wasn't right between them, or maybe they have run off together! I couldn't wait to see just what, if anything, was happening in the room. When I opened the door,

Edna was still dressing when Matthew showed up, wearing casual clothes which showed off his muscular body. I offered him a drink, then told him I'd be going out for an hour or so and I asked him if he thought he could take care of my wife while I was away. He assured me that it would be no problem. Edna came out of the bathroom wearing a transparent chemise, which showed off the beautiful curves of her ass and hips. I watched Matthew drink in the sight of her body, and couldn't wait to leave so I could come back. I kissed my wife goodbye and told Matthew to enjoy and

I was surprised to see that my coworker and wife were stark naked on the bed. What I saw first was Edna's bare ass, her back was turned to me and she was squatting over Matthew. I couldn't see his face, but his big cock was sticking straight up, waiting for my willing wife to lower her wanton pussy onto it.

Edna turned her head and gave me a sexy grin. She sure wasn't the shy wife I left behind an hour before. I walked in further and saw Matthew helping himself to her ample breasts, fondling and sucking them like a man who hadn't felt a boob in years. He called out

to me, saying that I was just in time, because he was going to fuck my wife. I quickly unzipped my pants and started stroking my hard-on as I helped Edna lower herself onto Matthew's generous joint. His cock was much larger than mine, with a big head and thick veins running along the shaft. I moved closer and watched as Edna's pussy. Then Edna began bouncing up and down on him in a fury. Her screams of pleasure told me that his giant rod was stretching her pussy to new dimensions.

Edna kept crying out about how big Matthew's cock was, and every time she said it my dick would throb. Matthew began slamming his prick into her pussy with quick powerful thrusts, all the while telling me what a hot piece of ass my wife was. His hands were clutching her ass, exploring her rosebud anus as he pulled her hard against him.

halfway out of Edna's mouth, it was rock hard again. Her mouth was stretched to it's fullest, but she still eased his big snake in and out of her throat. She reached out and began fondling my balls with her left hand, while she did the same to Matthew with her right.

My own shaft was throbbing again, when I began stroking it as Matthew told me what a good little cocksucker she was. My wife was on her knees, her pretty head bobbing back and forth. Matthew was grunting now, shoving his giant penis all the way into Edna's mouth, making it disappear up to his balls. I could see her throat muscles moving as she took as much of his cum as she could, while the rest of his white load spurted out of the corners of her mouth. Even more come was shooting out of my dick as I watched her swallow down Matthew's jism.

Matthew began slamming his prick into her pussy with quick powerful thrusts, all the while telling me what a hot piece of ass my wife was.

Matthew groaned out that he was going to give her what she'd been waiting for, and he shot his load up her vagina. I thought that she would surely want a break after such an intense session, but Edna had something else in mind. She dropped to her knees and began to lick her own pussy juice off Matthew's cock. She really went at it too, nuzzling her nose under his balls and licking him clean. My organ started to grow hard again when Edna took him in and began deep-throating him, swallowing so much of his semi-erect dick that her chin was jutting into his big pink balls. By the time Matthew pulled his cock

Edna looked up at me and smiled as her cheeks glistening with stray dots of sperm. We finally took a break. Edna went to clean herself up while I grabbed some beers from the mini-fridge. But that wasn't the end of the evening. Matthew spent the night and he and I took turns boinking my wife silly, much to her delight.

The last two days of the convention were a dribble of faceless people and meetings, but all we thought about was getting back in the sack together. We left on Sunday night, driving along as Edna played with my cock telling me how it was to fuck Matthew – and me!

HEATHER

It doesn't take much for me to get turned on. When I start to get horny, my blood boils quickly, my skin flushes red, and my nipples get real hard. Then my brain takes over and I start looking for cock. It's the one thing that overheats me and then cools me down.
